

Today Christology is of concern to both New Testament scholars and theologians alike and continues to provoke debate within the Church. Christology: A Guide for the Perplexed examines the key debates and defining moments in the early Church and the Reformation. After a brief introduction providing a basic definition of Christology, this historical background provides an essential foundation on which to outline later developments in Christology. Alan Spence then considers the Quest for the Historical Jesus, the work of the major theologians in this area including Barth and Schleiermacher, and from the present day, N.T. Wright and Pannenberg, and explores the contemporary arguments within the field of Christology.

Symposium: Experimental Use of Algal Cultures in Limnology, 1978, Communications (Mitteilungen) of the International Association of Theoretical and Applied Limnology (Societas Internationalis Limnologiae, SIL), Volume 21, 607 pages, 5 plates, 289 figures., The SourceFed Handbook - Everything You Need To Know About SourceFed, Dragons & Angels: Wings of Fire, Perfume de Adan (Latrama) (Spanish Edition), Nights with Uncle Remus, Grasshoppers (Lerner Natural Science Book.), Overcoming an Imperfect Boss: A Practical Guide to Building a Better Relationship With Your Boss, ?????\_???????????,
