

Lost Souls: FOUND! Inspiring Stories about Boxers is a heartwarming, thought-provoking compilation of over 50 true stories which address the cruelty of animal neglect and abuse and the joy rescued dogs bring to their new homes. This book is a must-read for Boxer lovers and people who are considering adopting dogs. A SIGNIFICANT PORTION OF PROCEEDS FROM EVERY SALE IS DONATED BACK TO BOXER RESCUE GROUPS. Excerpt: A lady and her husband were hiking in the desert when a little, white something came running toward them at top speed. The blur turned out to be a Boxer with coyotes close on his tail. Rocky had been stray for at least a month before being taken into rescue, probably surviving by picking oranges from nearby orchards and then peeling them to enjoy the fruits of his labor (we have seen his talent with our own eyes). As a rescue volunteer, I was asked to foster Rocky, but I did not. I adopted him! Dubbed The Little Ambassador, Rocky turned out to be the perfect big brother for all foster dogs who passed through our home, nurturing them with love, patience, and understanding. -Judy Bailey
