

(Changing Fortunes Series, Book 7)(Royals Series, Book 17) [Read by Lindy Nettleton] An Edwardian love story by New York Times bestselling author Marion Chesney Miss Marjorie Montmorency-James was lovely, young, and very impressionable. All these characteristics contrived to help her fall in love with a certain Lord Philips picture when it appeared in the newspaper. Until the day she saw Lord Philips photo, she had only fantasized about a mysterious lover whose shadowy features were never quite clear. Now she had a real live nobleman to dream about. Little did she suspect that she would soon meet Lord Philip in the flesh. How could she imagine such a thing? After all, what could justify a daughter of the middle class rubbing shoulders with the nobility? Then suddenly that great day was upon her; she was to meet Lord Philip. But nothing turned out the way Marjorie expected it would. Love - and danger - lay waiting for Marjorie in London.
