

Marion Carter wants her husband back. He won the Lottery, then vanished. Jessie Shafto, a young girl far from home, is looking for her lost love. For Danny Lancaster, wounded Afghanistan veteran turned private investigator, it's two easy missing person jobs, and the money's good. But it's never that simple. Two people have travelled halfway across the world in the hunt for the Demon's Eye and the secret of Kaapse Kobra. They weave a dangerous web of blood ties and revenge in the search for their own kind of justice. Tangled in a maze of scandal, troubled celebrities, designer drugs and violent death, Danny finds out the hard way that there really is no honour among thieves. Diamonds are not always a girl's best friend.
