

Somewhere Over The Rainbow is a memoir. The author shares her thoughts about the journey she has lived. You will clearly see that it is her faith that has kept her here with us. You will love her conversations with God through her letters to Him. Her prayers are so intimate that it will make you want to pray the same prayer in hopes that God does not remember that He already heard this prayer from another precious soul. This book will help you to gain a prospective on life regarding how to live it, face its challenges and difficulties, play the hand thatâ€™s been dealt to you, and to enjoy life . . . in spite of it all. The author helps you to embrace the notion that every journey, including lifeâ€™s journey, must come to an end, but yet, there is a continuation of life filled with joy and never-ending happiness, SOMEWHERE OVER THE RAINBOW.
