People living in suburban areas think they can't raise chickens because they don't have enough space! Keeping chickens with no space is a bit. 21 Jul - 4 min - Uploaded by John Suscovich While taking the floor out of the mobile chicken coop has been good, there is room for. A chicken coop or hen house is a small house where, typically, female chickens or other fowl are kept safe and secure. There are nest boxes found inside the hen houses for egg-laying, and perches on which the birds can sleep. Purpose - Housing controversies - Backyard coops. The first thing I did was put in a small chicken coop with three hens, which is the perfect I leave my hens for days at a time with no problems. Coop Restrictions Some cities may limit the size of chicken coop, the appearance , .. Air circulation at the top of the coop allows for ventilation without drafts.

On the one hand, chickens are very independent and can keep themselves happy without too much human involvement. While on the other hand, chickens rely.
