

To whom it may concern, my name is Stanley Granson and I have been a Christian all of my life, I was baptized at a early age of five years old. I was raised in a Christian family and attended church on a regular basis. My dad Joe Dell Granson Sr. who has gone on to be with the Lord was my spiritual leader in my life. I have love for the bible and sharing Gods word with his people. Although shy by nature I found a new boldness in ministering to the loss. God has brought me from a mighty long way. I believe that the word of God should be taught to all generations because God is trying to reach everyone through different methods and ways. It is very important to understand that we are not perfect, but the Lord is perfecting us. However, if and when we make a mistake in life, we have the privilege of going before God the Father to confess our faults to him. I have trusted God to provide for my every need. I know this can only happen through faith. The bible says all have sin and come short of the glory of God. But He is faithful to forgive us from all wrong doing if only we confess and repent of our sins. If you know Jesus you can and will be saved. Jesus declares the only way to the father is through Him. Without Jesus there is no salvation. I believe our goal in life should be to reach and teach the word of God so our families can stay strong and our marriages or strengthen. I thank God for a Godly father and mother who taught me to stay on the right path. We have to teach this generation the same thing if we are going to conquer saving the lost. I am excited about the opportunity to attend Grace Theological. I believe the best is yet to come.
